INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys know I'm bi, right? I mean, I prefer men, obviously, but girls are just too pretty to pass up.

This month, though? I am EXTRA bi. Practically a lesbian! I want to get it on with every single girl.

I want to go skinny-dipping with Annabelle, poke Jasmine's butthole, and bury my face in Katalina's giant bush.

I long to lick the cream off of Lily's fingers, suck on Naomi's popped-out clit, squeeze Penny's big boobies, and slide my tongue between Marina's sweet, puffy lips.

And I am *dying* to join Isabella, Karlie, and Renee. Three pussies, no waiting! I might finally get my fill!

Oops! Look at me, hogging all the girls. They're for *you* guys. Unless you wouldn't mind sharing one or two with me...

ANNABELLE

sunshine girl

Hey, it's Lindsey. Annabelle is a soon-to-be college freshman and aspiring nudist.

Hey, Annabelle! Do you always just get naked outside where everyone in the world can see?
I don't think anyone is going to see me way out here. LOL! But I wouldn't mind if they did!
Would it turn you on?
Yes! I love being looked at.
Is that your favorite part of being naked?
No, my favorite part is just feeling free and soaking up all of that vitamin D sunshine. I love nature!
What are your favorite things to do outdoors?
Hiking, skinny-dipping, and having sex.
Have you ever had sex on that swing?
How did you know?! Yes, I have! He sat on the seat, and I sat on him. I felt like I was flying! That was probably my best sex ever.
What's your favorite position when you come back down to earth?
LOL! I like doggy-style.
What turns you on the most?
A foot massage.
Do you like oral sex?
Yes, I'm a people pleaser.
Do you spit or swallow?
I always swallow. More natural vitamins!
Where do you like a guy to come?
I never thought about it! Anywhere is fine with me.
What's the best way for you to come?
If you lick my pussy nice and slow.
Have you tried anal sex?
I have! I really like it. It feels better than you might think.
What do you look for in a guy?
Someone who loves nature as much as I do.
What's your favorite sex fantasy?
I want to fuck underwater someday.
I'm surprised you haven't done that already.
I have to find a guy who can hold his breath. LOL!
Too late! You've taken everyone's breath away. ;) ★

APRIL 2017 PANTY CONTEST WINNER!

K.C., we hope Dolly's undies keep you warm all day—and night. Congratulations!

Hello beautiful Dolly,
I would love to win your panties, especially if you wear them a few days without bathing or showering, and without wearing perfume and using deodorant, so the aroma of your sweat, pussy, and ass juices really soak into your panties.

It would be great if you got some flowers in your panties. It would be an extra treat to sniff and lick your ass juices from your panties.

You have one of the most beautiful photos I've ever seen on pages 12 and 13. You have a very beautiful pussy and a fantastic-looking backdoor pucker. You have a beautiful smile and gorgeous eyes. I love your bush and the clean-shaven pussy lips and butthole. Great for licking and eating them both out.

If I win your panties, could you also send me a pair of socks you've worn a few days. You have beautiful feet and toes, and I would love to smell them and suck on your toes. You also have super-looking nipples that I would love to suck. You also have a great-looking belly button. You're a very special lady.

If I win your panties, I will wear them on my head to keep my ears warm during this cold and snowy winter we're having in North Dakota, and to have all your special scents around me all day long. You're a very hot-looking lady. I could look at your beautiful smile all day long, Dolly.

Very sincerely,
K.C.
North Dakota

Hi Lindsey,
I just finished reading my February issue, and the "candy box" you prepared for your readers was delicious. One of the best issues ever. Every page was like...WOW!! Loaded with mounds and mounds of sweet pink girl candy.

In the January issue, you asked what your readers would like to see in the upcoming year. I've never seen this asked for before, and I hope it doesn't seem corny, but what I'd like to see are more full-page headshots of the girls. All the girls who appear in BL are cute and beautiful, and I think more up-close shots would accentuate this. I love puffy nips and pink girl meat just as much as anybody, but it's also very nice to turn a page of BL and have a young, gorgeous, bright-eyed girl looking back at you. Think about it.

As an aside, I like what you've been doing with the BARELY LEGAL DVD series. The last two volumes I've received, #152 and #153, were very sweet. Every scene was excellent.

T.S., we loved your idea so much, we wanted to try it right away. Did you like Dolly's full-page headshot in the April issue? And Uma Jolie's in June?

We're happy you like the latest BARELY LEGAL DVDs! I personally got a lot of mileage out of them, if you catch my drift. ;)

—Lindsey

Dear Lindsey,

I am so sorry that in my recent email to you regarding the March issue, I forgot to thank you for publishing my letter regarding the November 2016 issue. Your comments further confirm your great sense of humor—just another reason I will renew my subscription.

I have been re-reviewing my 2009 issues, and in those days at least one girl per issue put her finger up her butthole—very sexy indeed! But I do not miss the cartoons or the movie listings you had in those issues.

With the March issue you do not need to fear you will lose your FBI badge!!

Kindly,
Lenny
by Internet

Thank you, Lenny! We love publishing your letters—you give great feedback. ;)

I wish more girls these days would put their fingers up their buttholes. Maybe girls were just dirtier in 2009. But I'm happy to tell you that we have one very naughty butt-fingerer in this very issue. Can you find her?

(P.S. I'm glad I still have my Female Body Inspector badge!)

—Lindsey

Dear BARELY LEGAL,

Good evening. A pleasure it is to write to you. Please say to Special Consulting Editor Lindsey I like Inside a BARELY LEGAL Girl. I looked her over. She turns me on.

It's been so nice to have the March and April issues. I have one other BARELY LEGAL, July 2011, that I take good care of. But these last two issues I have bought are tremendous. Dolly is oh so fine! Pretty and sweet, to best describe. Top quality, state of the art. Good job, I appreciate it.

The May BARELY LEGAL goes on sale March 7. I plan on being there.

Stephen
Kansas

Thank you, Stephen! That is so awesome that you kept your copy of the July 2011 issue all these years. It makes me think we're doing something right. :)

So—what did you think of May 2017? ;)

—Lindsey

Dear Lindsey,

First of all, I want to say that you hit it out of the park with Deena. I'm a big fan of small boobs, and she is so sexy with her 30AAs.

I also think you are so sexy, but I have a small bone to pick with you. Why don't you show pictures of your interns? Maybe you need a spanking on your cute bare butt. :) They ask the hard questions, but we don't know what they look like.

Keep up the awesome job. I'll close now, since your picture has me so turned on.

D.D.
Missouri

D.D., your wish is my command! Here is a picture of Stacy the intern. For Abby, I'll do better than one picture—check out her full layout in our October 2015 issue. Not only will you see what she looks like, you'll see her eating pussy! To order back issues, please send a check or money order for $12 (per issue) to: LFP Back Issues, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

Hey, wait a minute! Why am I showing pictures of our interns? Now I won't get a spanking. :(

—Lindsey

Attention, hairy-pussy fans! Volume twenty-FUR of *Best of BARELY LEGAL Presents: All Bush* goes on sale June 13!

my last time

BARELY LEGAL confession

by jasmine baker

I'm never having sex again. And it's a sin and a shame, because I really like it.

Not that I've had a *ton* of it. My very first time with my boyfriend Daryl, my parents walked in on us, after which they grounded me *indefinitely*. Just because their lives are over, they decided mine was going to be, too.

I couldn't let that happen. As the lonely weeks went by, I thought and thought, and finally I came up with the perfect scheme for being alone with Daryl. My nana lives just a few blocks from our house. I would stop at her place on my way home from school every day and read to her in her bedroom until she eventually fell asleep. Then I'd slip out to her parlor, where Daryl would be waiting.

For a couple of months my plan worked like a charm—better than I ever dreamed. Nana always fell asleep in under ten minutes, so Daryl and I had two free hours to fuck before I had to be home for dinner. Meanwhile, my mom was ecstatic. "You're such a thoughtful granddaughter! As a reward, your father and I are lifting your punishment." (LOL!)

Well, one day Nana looked especially worn out as I read to her. I could tell she was about to nod off any second. My coochie gushed with anticipation.

"You can stop reading, Jasmine dear." Nana closed her eyes. "I'm very tired."

I slammed the book shut and scooted out of the bedroom. I was extra riled up because this was the day I was finally going to let Daryl in through the backdoor.

I walked into the parlor and burst out laughing. Daryl was fully naked on my nana's dusty sofa with a big old boner.

"*Someone's* in a hurry," I giggled.

"I've only been waiting my entire life."

He grabbed me, bent me over on the sofa, and lifted my skirt. I didn't have any panties on. He moaned at the sight of my bare butt.

"Shhh!" I said. "She's old, not deaf."

Daryl took a fingerful of lube and rubbed it into my asshole. I braced my legs. I thought I was ready—but let me tell you, you can't ever *really* be ready. When he squeezed his cock into that tight hole, I let out a yelp.

I clapped my hand over my mouth and Daryl yanked his dick out. We turned toward the bedroom. Not a peep.

"Man, she's sleeping like a rock," I whispered.

Daryl patted my tush.

"Are you sure about this?"

I stuffed an embroidered pillow in my mouth and nodded.

Daryl slowly slid his cock into my ass. The pillow dropped out of my mouth. The tightness felt *amazing*.

"Yeah," I whispered. "Fuck my ass!"

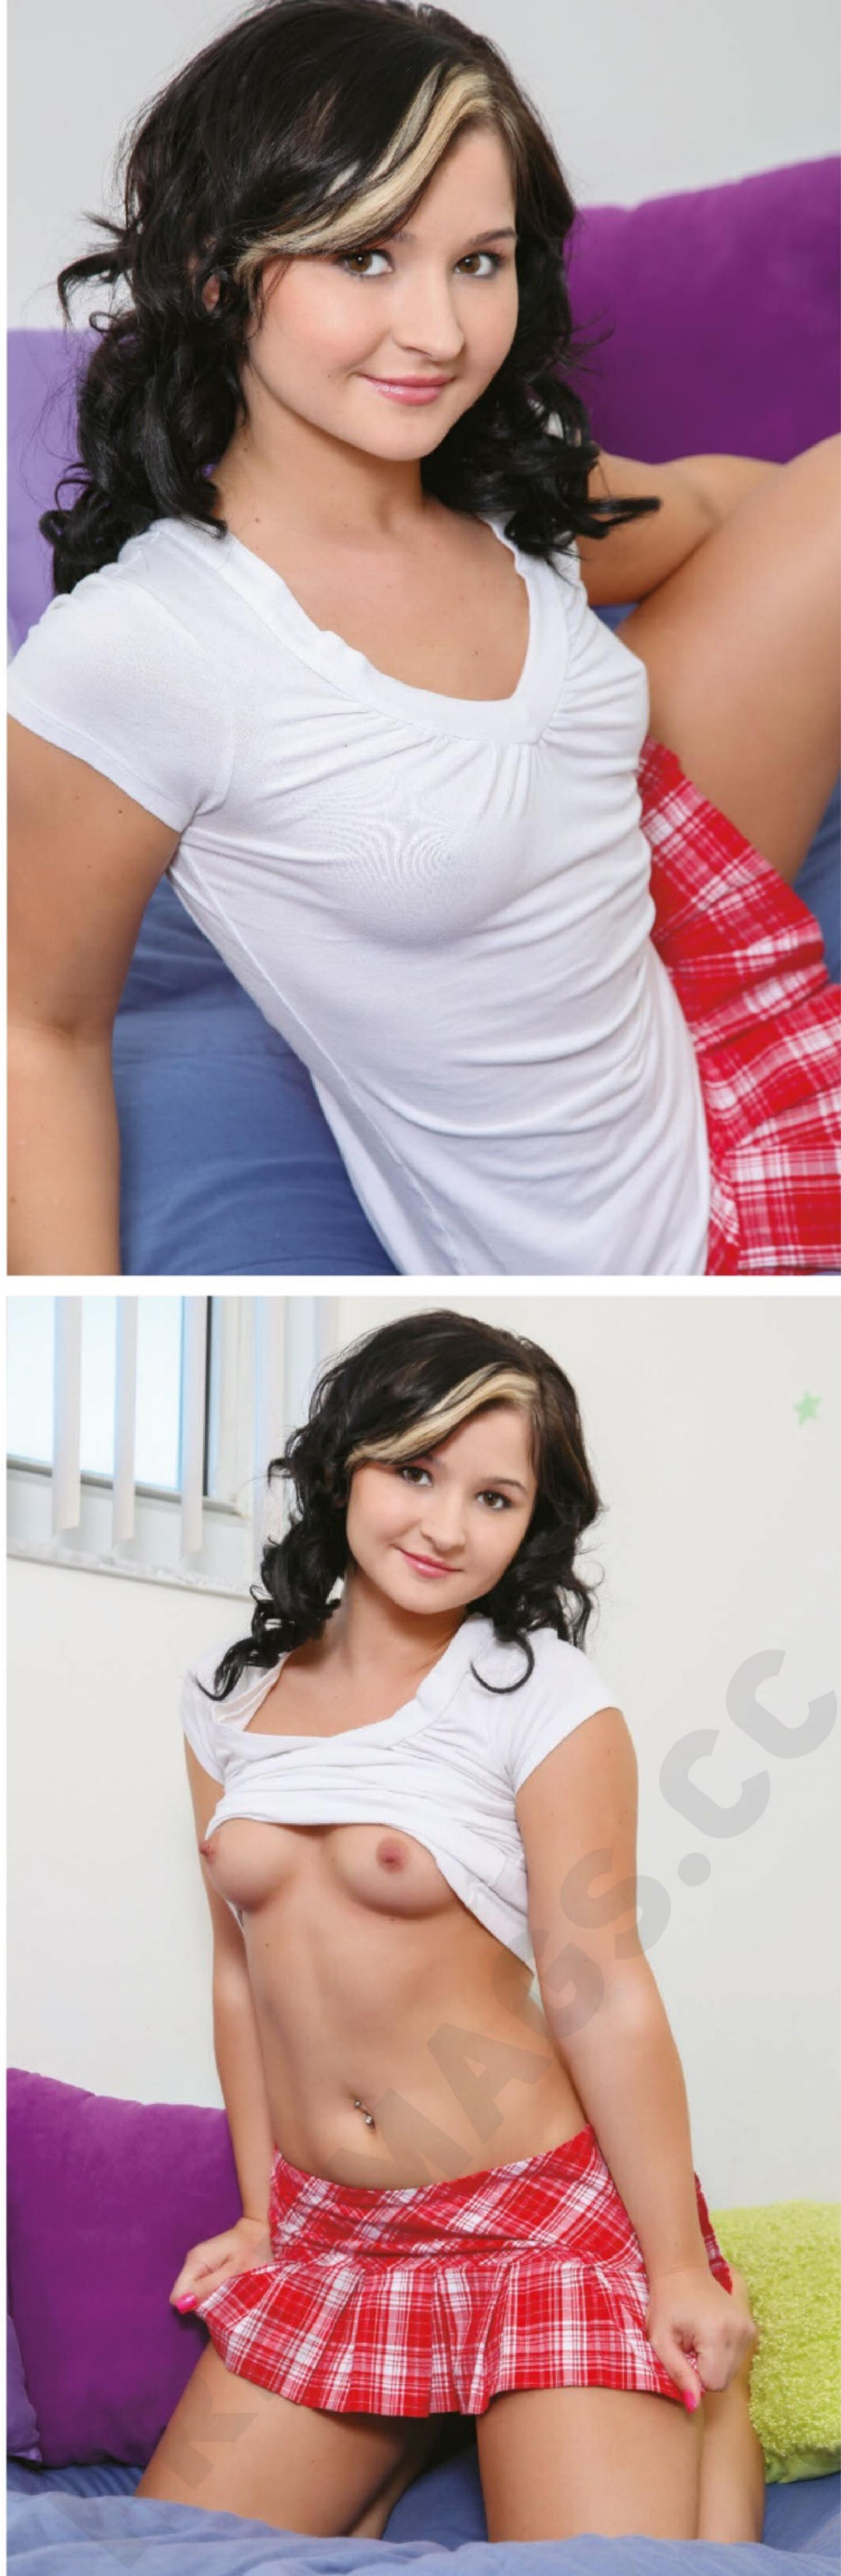
Daryl picked up speed, plunging into my butthole. My body buzzed and hummed all over. My clit was electric.

"Fuck my ass!" I gasped.

As Daryl pounded my pooter, I rapid-fire rubbed my clitty, all slippery under my fingers. It was coming. I could feel it...

"OMIGOD! OMIGOD! YES!"

PHOTOGRAPHY BY JIM GUNN



I slumped over, completely drained. I could barely feel Daryl's hot semen spraying onto my back and butt. I just wanted to rest right in that spot for about a thousand years.

But then I came back to reality. My nana *must* have heard the animal sounds coming from her parlor. I'd better go to her and explain...*something*.

"Nana?" I murmured, tiptoeing into the dark room. I bent over her still body. "Nana?" I asked again, nudging her shoulder.

I can't be sure, but she was probably dead the whole time I was getting fucked in the ass. Do you see why I can never have sex again? ★

KATALINA

I came fur you

Hey, bush fans! Abby the intern here with college cutie Katalina. We can't wait until you turn the page!

Katalina, you came along at a good time.
Why do you say that?
Because lots of our readers have been asking for girls with hairy pussies. Not just hairy, but *wild* hairy. No trimming.
That's me! I've never trimmed mine—not even one little curl.
Why have a bush in the first place? Most girls don't.
I prefer when girls have bushes. To me it's a badge of womanhood.
But *no* trimming?
It's like with the hair on your head. It starts to grow, and you just want to see how far you can go with it.
You didn't go too far with your head hair.

PHOTOGRAPHY BY CLASSY CONTENT

Because it turns out long hair is a pain to wash and dry and style! My pussy hair is easy to take care of. It's always clean and fluffy. :)
Have you been with guys who don't like your bush?
Of course! I understand. Some guys like clean-shaven coochies. It's a personal preference.
Would you ever get rid of your bush if a guy asked you to?
No. I don't think he would respect me if I did!
Anyway, you probably meet guys who love it.
I do! And when they love it, they *really* love it.
How do they express their love?
By eating my pussy for hours and hours.
No wonder you keep it hairy down there.
My evil plan worked! LOL!
Would you suck a guy's cock for hours and hours?
I *would*, but let's not forget about fucking!
What's your favorite way to fuck?
I love, love, love anal sex. It's tight, dirty, and it makes me lose my mind.
Ah! So that's why you keep your butthole hairy, too.
It's just an extra little treat. ;)
***You* are a *big* treat!** ★

We have some new questions for you. First, how often do you masturbate?

I masturbate every day.

What's your favorite method?

I have a duffle bag full of toys, but my favorite is my wand.

Are you bi?

Not really. I went through a phase, but I just think girls are really pretty.

PENNY

Hey, it's Lindsey. Penny was an obvious choice for Teen Queen—she looks like a million bucks!

About me: I'm kind of a serious girl. Sometimes people ask me why I'm so quiet. I'm not sad—I'm just thinking.
Best thing about posing nude: I feel pretty, sexy, and desirable.
Best physical feature: I like my whole body, if that doesn't sound too conceited!
Favorite hobbies: Reading, writing short stories, exploring museums.
Favorite writer: Jane Austen.
Biggest turn-on: A good kisser.
Biggest turn-off: A bad kisser!
Ideal guy: I tend to get crushes on guys who are loud and funny and always the center of attention. The opposite of myself. :)
Most sensitive body part: My butthole. It sounds weird when I say it out loud! But it's true.
Favorite position: Missionary.
Spit or swallow: Swallow.
Favorite way to fuck: Starting out slow and gentle, then working ourselves into a frenzy.
Best way to make me come: Oral sex—even though it makes me feel a bit selfish.
To bi or not to bi: I don't have any experience with girls, but I'm curious. The other girl will have to make the first move, though. ;)
Favorite place for guys to come: Well, *their* favorite place is my boobs, so that's mine, too!
Anal, yay or nay: I haven't tried it, but when someone licks my butthole I go crazy. I might try a toy next. After that...
Best way for a guy to pick me up: Have a conversation with me.
Dream date: We would spend the whole day strolling through a museum, enjoying art, then in the evening we would have a romantic dinner, somewhere outside with twinkly lights. Maybe by a lake.
Future plans: Next month I start college. I'm going to major in 19th-century English literature so I have an excuse to read a lot of novels! And eventually I want to teach. I think that's a good way to give back to the world. ★

❤ AUGUST 2017 ❤

Hey, it's Lindsey. Porn starlet Lily is cute, hot, smart, and funny. I could eat her right up!

Hey, Lily! How would you describe yourself?

I'm one of those people who believe that kindness will get you much farther than arrogance ever will. I love to laugh at the silly things and embrace my childlike nature when the time is right, and I am generally a relaxed, happy-go-lucky type of person simply because I know that stressing over the future will never make it any better. Overall, I am just happy to be alive and always try to fully embrace every moment life gives me.

What do you do for fun?

Although I will always be upbeat and bubbly if you talk to me, I am very much an introvert. I love to spend time on my own, whether it be doing yoga, hiking, writing, or reading. I love getting in touch with nature and spending quality time outdoors. I feel that also helps me get in touch with myself and stay grounded as a person. The world is a beautiful place, and I love doing things which remind me just how small I am within it.

What did you do before porn?

I worked as a waitress for about four years, and a very good one at that. I got tipped a lot, but I think a lot of it had to do with my cuteness and my flirtatious attitude. I started out in a quaint little deli when I was 15 and then began working at a five-star restaurant when I was 17. I learned the right way to place dinnerware on a table, how to memorize a paragraph-long list of specials five minutes before my shift, and how to properly serve a bottle of wine. Although I would never go back to it, being a waitress certainly taught me a lot and made me the hard-working, eager-to-please woman that I am today.

Do you have any good stories from that time?

I have many happy memories from my serving career. One Halloween, I got to ditch our normal uniform for a fuzzy bunny onesie and hop around the restaurant and laugh and giggle with our customers. I used to wait on this group of three men almost daily, so they became good friends of mine. One day I was taking a picture with one when he asked me to kiss him on the cheek. I happily obliged, but once the camera flashed, he turned his head towards me and put his lips against mine.

PHOTOGRAPHY BY LIGHTWORSHIP

I had a face of shock, and, safe to say, it made for a very funny picture. Probably the most interesting (and naughty) thing I did, however, was fuck my manager. He was married but constantly flirted with me for months and months. I tried to resist, but he also just so happened to be my neighbor. I never got a break from him. He would give me rides to work and beg me to give him a ride in return. Eventually we began to have secret escapades after hours at the restaurant. Nothing beats getting fucked on the counter of your workplace. The affair went on for the duration of my career there and, although it was probably the naughtiest thing I have ever done, I think it was the highlight of my time working there.

What do you like best about posing nude?

Before I started porn I used to take so many nudes on Snapchat and wanted so badly to share them with everybody I knew. I felt very naughty for having that urge to share myself with the world; it was almost taboo to me. But nothing fascinates me more than the female body. My favorite types of art pieces often depict a woman in the nude. My eyes are drawn to the curves of her body, to the shape of her breasts. So naturally I saw my nudes as more of an expression of my creativity and beauty as a woman than as a sexual gesture. Now, being able to share them with thousands of people, I feel like they are just that—an expression of myself.

What do you like best about doing porn?

I love the freedom that comes with doing porn. Not just the freedom to have sex openly and proudly, but the freedom of loving your body exactly how it is. Of course, I know there is a standard of beauty for the industry, but before I started stripping my clothes off for all to see, I was self-conscious about many aspects of my body—my breast size, the way my vagina looked, even the shade of my asshole. I hadn't been too promiscuous before this, so I hadn't had many spectators. I remember the first time I ever shot a scene the director told me that I had such a pretty pussy and my first thought was "Really?" My whole life I had thought otherwise, only because I hadn't been exposed to the diversity of women that porn introduces.

What do you think is your best physical feature?

Not to sound cocky, but I have some pretty nice tits. LOL. They're all-natural and perky and enjoy being squeezed very much. Definitely something I am proud of. Besides that, I'd say my eyes are nice. Before I exposed myself to the world in porn, they were my most complimented attribute.

How often do you masturbate?

I masturbate at least once a day, most of the time more. I can come just by playing with my pussy for a few seconds through my panties, so it makes it pretty easy to get off whenever and wherever I want. *wink wink* Even when I have sex, I still feel the need to masturbate. I guess I'm just an overall very horny person!

What's your favorite method?

If I'm in a crunch, I really enjoy just rubbing my clit through my panties. I especially love it if I can do it with other people in the room/nearby without them ever knowing. It makes it all the hotter to me. However, I have also developed a newfound love for vibrators! I used a Hitachi for the first time a month ago and have been hooked ever since! It taught me how to loosen up my body and allow myself to squirt. I've even been able to squirt with just my fingers now!

What turns you on the most?

I am really turned on by the female anatomy, especially the vagina. Whenever I watch porn I always search for the homemade videos of girls playing with themselves up close to the camera. Nothing drives me crazier than hearing the sounds of a woman's wet pussy. During sex, I love being submissive and taken control of. I love to be bossed around and manhandled. Even though I look innocent, nothing makes me come like a good spanking and choking.

What turns you off?

This might come as a shocker, but a lot of the time oral sex is a turn-off to me. I absolutely love to give, but only on a few rare occasions has my partner given me pleasure on the receiving end. Quite frequently they are not hitting the right spot or it just feels like a wet mess down there. Some of my best and worst experiences have been via somebody eating me out. Besides, I love to see my partner getting pleasure as well. I know many people enjoy giving oral (like myself), but I would prefer to watch them come over and over again rather than simply let them watch me.

What kind of guys do you like?

I am pretty much only into older guys, but of course there are exceptions. As I love to be submissive, I need a man who isn't afraid to take control and knows what he is doing in bed. Experience is everything. Plus, my favorite fetish is daddy/baby girl play. I love to call my partner Daddy and tell them how much I adore being their plaything. I love the feeling of being cared for and pleased by an older man. I love watching their faces light up from the ecstasy of feeling my youthful body. I love talking to them like I am innocent, and then having them rip every last morsel of innocence from me. *Mmm*, it turns me on just thinking about it.

Are you bi?

For sure. Growing up I thought I was a lesbian. When I was in kindergarten I felt the joy of kissing a girl on the cheek, and I've chased after girls ever since. I grew up in conservative Mississippi, however, and had to suppress my sexual desires a great deal. I would secretly hook up with my friends growing up. They taught me how to kiss, how to touch a woman's body, even how to masturbate. There is nothing in life like the love of a friend. Yet as I grew up I realized I had larger desires which needed to be quenched. After I had sex with a boy for the first time, my pussy craved to be filled. I craved the taste of cum and, more than anything, craved the fragility and weakness I felt in a man's arms.

What kind of girls do you like?

I like innocent girls, the girls who blush when you talk about anything even remotely provocative. The girls who you would never imagine could be corrupted. I have an innocent nature myself, but behind closed doors turn into a complete different person (which the world can now see for their viewing pleasure). I want a girl who is the same. I want to see her go from sweet to sultry, from nice to nasty, and from kind to kinky. After all, I am a girl who loves surprises.

Do you like to give head?

I love to do anything that gives my partner pleasure, so of course giving head is a major turn-on to me. I love to get sloppy and spitty with it. Nothing beats looking up and seeing that "oh my god" face. I especially love to dirty-talk. I find it sounds sexiest when I have a cock in my mouth. However, above all, I love the taste of cum. If a man comes on my body, I will lick it up and savor every last drop of it. I am definitely a cum worshipper. It is my favorite part of the whole experience, just because I take it as a physical sign of their satisfaction. Plus, nothing beats the taste of warm, juicy jizz.

Do you like to swallow?

If you couldn't tell by my last answer, YES! I don't think there has ever been an occasion where cum has not ended up in my mouth. Even with a creampie, I will let it ooze out of my satisfied pussy and then lick it up wherever it lands. I know a lot of girls don't, but I love it when I am giving a blowjob and the

FREEMAG

guy doesn't warn me that he is about to come. I anticipate it, so whenever I feel his balls growing stiffer and his cock getting ready to explode, the excitement builds. I'm like, "Oh my god, is it about to happen? Is it already time for my tasty treat?!"

What's your favorite position?

This is a hard one! Favorite position definitely depends on the guy and what he is into. After all, my real pleasure is getting my partner off. However, overall I'd have to say I love being in doggy with my ass up and face down. I like it when they can smack my ass at their leisure and pull my hair to control my rhythm. I also like having a finger or two in my butt while I am being penetrated, so that provides for easy access. I also really enjoy plow. I do yoga and get into that position regularly, so being able to do it while getting fucked is an added bonus. I've even been in that position and squirted into my own mouth before, so the angle also provides for some kinky fun.

How do you like to be fucked?

Like I said, I am a very submissive girl. I love to be pushed around and made into a personal fuck doll. I want sweaty and passionate sex, sex that leaves me squirming to get away, but I can't because my partner controls when I leave and when I come. I love for my arms to be held down, for somebody to whisper in my ear what a dirty little girl I am and how I need to be punished for it. Nothing drives me crazier than being on the edge of an orgasm, then being told not to come until Daddy says so. I am an obedient girl, so of course I must oblige.

What's the best way for someone to make you come?

I could probably come solely from somebody caressing my body and whispering sweet nothings into my ear; however, that is only if there is a strong connection between my partner and me. Otherwise, I love being held down and fingered until I explode while I'm being commanded to control my body. I really get off on talking, whether it be sensual or naughty. It would be hard for me to peak without it. My clitoris is also a very sweet spot; rub it just right and I will come and squirt like a waterfall.

Where do you like a guy to come?

I want the guy to come absolutely anywhere he wants to on me, but if I had to choose I would say either inside of me or in my mouth. I love the idea of being stuffed with his satisfaction and the feeling of his throbbing cock exploding in one of my orifices. Plus, the good thing about creampies is that I get to lick it up and taste both of our cum when it drips out of my pussy. That's double the fun.

Do you like anal sex?

Believe it or not, I am a backyard virgin! No penis has even penetrated this sacred hole, but that's not to say that I don't want it to. I wasn't all that experienced before porn; I could count all the guys I slept with on one hand. My pussy barely could handle fat cocks in the beginning, much less my tight little asshole. However, more and more I am enjoying anal play and double penetration with butt plugs and fingers. Maybe soon I will be able to fit a cock in there and give you a complete answer to this question.

What's the weirdest place you've ever had sex?

On one occasion, this guy and I (the second guy I ever slept with) ended up hooking up in a McDonald's parking lot. We hadn't even eaten there; we just couldn't keep our hands off of each other and had to pull over. I rode him for a bit and then began giving him head. Soon, I looked up and saw that there were several young guys surrounding the car laughing and filming the whole thing with their cell phones. I had a little alcohol in my system and at the time didn't mind. I just shrugged it off and kept going about my business. I guess I should've known then that porn would be a good line of work for me!

What is the wildest thing you've ever done?

I think I've pretty much covered my wildest sex stories—giving head in the McDonald's parking lot, fucking my manager after hours in our restaurant. So, sex aside, I'd say I've done a few things in my lifetime which some people might consider wild. I've gone bungee jumping, traveled solo to countries whose native language I did not know, and even turned into an impromptu stripper at foreign nightclubs. The latter was probably the most fun, even though my tequila-dazed mind does not remember how it ended. All I know is that I woke up in my hostel the next day in some random guy's bed. The weird part is that his girlfriend was in the bed right next to us (these were small twin-sized beds) and told me that I was looking for the bathroom late at night, couldn't find it, and instead ended up crashing in some random bed. I had the worst hangover of my life the next morning. Naturally, the best plan of action was to go ziplining through the forest naked. I'm getting nauseated just thinking about it.

What's the best way for a guy to pick you up?
I love intelligence, so meeting a man who can hold a conversation on a wide variety of subjects is a major turn-on. Instead of small talk, which will 10/10 never work to woo me, I'd prefer somebody who wants to talk about politics, aliens, or the meaning of life. I also like guys who are not superficial; I would much rather be complimented on my mind than my looks. Entitlement is also a deal breaker. Nothing agitates me more than a guy who thinks he automatically gets a free pass to fuck me simply because he wined and dined me. Of course getting pampered is nice, but nothing beats the feeling of true chemistry.

How would you describe your dream date?
I like intimacy, so maybe a nice dinner followed by an evening spent drinking wine on the beach or cuddling up on a blanket, pointing out our favorite constellations in the night sky. I would even be happy making dinner at home, having a nice bubble bath, and then getting jiggy all night long. But, that's not to say I don't enjoy the fun things as well. I love going to the movies, going skating, and even going bowling. A game or two of laser tag at the arcade would be a blast, too.

What are your future plans?
I plan on being in the porn industry for quite some time; however, I do not believe it is my only calling in life. I am currently in school studying astrophysics, and, although I'm having to take a few semesters off due to ridiculously high out-of-state tuition, I would love to pick up my schooling and go on to get my master's degree. My major dream is to work in a research laboratory studying quantum mechanics, but I do realize that I am young and these dreams might change. I also hope to travel the world and experience all the different things this world has to offer. I used to want to join the Peace Corps after I graduated college, and I still haven't completely written that dream off. However, I am not too set on where life takes me. As long as I remain happy and healthy I will be satisfied with wherever I end up in life. ★

ISABELLA DIOR, KARLIE MONTANA & RENEE PEREZ

threeway of love

Help! It's Stacy the intern, and my boss Lindsey is trying to kill me. I can sort of handle *two* hot porn girls at a time, but THREE?!

Isabella, Karlie, and Renee, I don't even know where to begin...

Karlie: Start by asking what our favorite hobbies are. Mine is playing with pussy. ;)

Isabella: No, ask me what my favorite food is. It's pussy!

Renee: No, ask *me* what my favorite movie is. It's anything starring Karlie Montana!

Karlie: You've seen all 400 of my movies?

Renee: Not yet, but I'm working on it.

Okay, I have the perfect question: When you're in a threesome, if you're busy with one girl, how do you keep the other girl from feeling left out?

Isabella: That's easy! Always, always be in contact with each other. Like, while I'm licking Karlie's cooch, I let Renee fuck me with a toy.

Renee: You "let" me. LOL!

Karlie: You can do other things, too—kiss, caress. As long as you're touching in some way.

So, you don't do that threesome thing where one person is the "star" and the other two basically service her?

Isabella: That might be fun with *guys*. I'd love to have two guys doing my bidding!

Karlie: It's different with girls. We're like three equal partners.

Renee: You make it sound like a business transaction! *I* think of us as three friends who love each other. And give each other orgasms.

It sounds so fun!

Renee: Well, jump in!

Karlie: Here's a toy.

Isabella: The four, the merrier. ★

MISSY

the little cunt

I hear people talk behind my back all the time," observes Missy with a dismissive sneer. "They call me a little cunt. Is that supposed to be an insult?

"I take my sobriquet as a compliment. Blondes have tighter pussies. It's a scientific fact. My cunt is indeed little. I can barely squeeze in my pinkie. A guy with an eight-inch schlong almost gave me a heart attack."

The 18-year-old blond tigress, with superior airs, slides her panties down creamy thighs.

"Why do guys refer to me as a little cunt? Is it because my snatch is nestled between two of the shapeliest legs a guy has ever wished were wrapped around his face? Dudes who call me names are pissed off that this little cunt doesn't come running every time a jackass whistles from behind the wheel of a fancy car.

"So what if I am a little cunt? Just about any guy on earth would kill for a chance to fuck it." ★

Completely edible looking, from the colour of her skin, to the smoothness to the touch, to her shape.....

Yes, I could go on and on.

When she showed up at my room I was paralyzed just looking at her, Beautiful!!!

Man, her eyes were so beautiful. Those are the eyes you would wanna wake up to, every morning.

I felt like Vincent Vega cruisin' along in his convertible sporting a euphoric grin wallowing in his long sought after euphoria.
